

ABOUT ME

Nile Harris is a warrior unleasher, dream liberator, and champion of do-gooders working with mid-career professionals and entrepreneurs to transform their passion and purpose into P.R.O.F.I.T. by helping them make mindset shifts anchored by action.

As the creator of Warrior Unleashed Coaching and Warrior Be-School, she develops original educational content and provides results-based coaching programs to help her clients navigate change using her proprietary J.U.M.P. Framework designed to unleash their warrior spirit and make the jump into their destiny.

With more than two decades of experience, Nile's gift is bringing ideas to life through strategic vision and tactical execution. She is a contributing author of the Amazon best-selling 20 Beautiful Women Volume 5, sharing her story of how to be bulletproof when others are taking aim.
